# Assignment of Benefits/Financial Responsibility

#### PLEASE READ

I hereby assign, transfer, and authorize all of my rights, title and interest to my medical reimbursement benefits under my insurance policy for services rendered. I authorize the release of medical information needed to determine these benefits, including medical, surgical, psychiatric and/or substance abuse (drug or alcohol) information. This authorization shall remain in effect until I give written notice revoking said authorization.

I understand and agree that, regardless of my insurance status, I am ultimately responsible for the balance of my account for any/all professional services rendered. I understand that I am still obligated to paid bills if not paid/covered/found medically necessary by my commercial/third party/government plan or insurance company. I understand that I am also responsible for any balances due above payments made by my insurance company.

I appoint Jonathan Heistein, MD, PA to act as my authorized representative in requesting an appeal from my insurance plan regarding its denial of services, authorizations, or denial of payment.

All charges are due at the time of service. If surgery is indicated, I am responsible for providing updated insurance information.
